Hi,

One of the things I keep hearing over and over is the need for more opportunity for discourse among mixed choruses specifically. In response to that need we have developed a webinar specifically for you. The details are provided below. I hope you can join us.

Mixed Chorus Webinar

On February 26 we will be holding a mixed chorus webinar from 7PM to 8PM EST. The topics to be covered include the piece for mixed choruses commissioned from Craig Carnahan, plans for the Festival mixed chorus and a mixed chorus social event to be held at Festival. We would also like to gather input on issues specific to mixed choruses to be discussed in future webinars or conference roundtables. Please email info@galachoruses.org to register for the session and you will receive instructions to logon to the webinar. There is no charge for the session.
